INDIVIDUAL PARTICIPATION FEE 120,00 €

transportation via air-conditioned coach or minivan or car, assistance from our agency, guided tasting of eight wines from the estate, and light lunch.

Nestled between the rolling hills between Lucca and Camaiore, Valle del Sole is a family-run farm that spans 10 hectares of vineyards and olive groves cultivated according to organic and biodynamic farming principles.

Positioned between the Tyrrhenian coast and the Apuan Alps, here, sun, sea breeze, and rich soils create elegant wines and intense extra virgin olive oils, a true expression of the territory.

Guided tours, panoramic tastings, and warm hospitality make every visit an unforgettable sensory experience.
